<h1>V@StHelp</h1>

<p>Your trusted hub for assignment support</p>

</div>

<!-- About Me -->

<h2>About Me</h2>

<p>

I provide professional academic and technical support across multiple fields.

My expertise includes report writing, case studies, dissertations, statistical analyses, and SPSS.

I also specialise in web design and development, architectural plans, and engineering projects using MATLAB and CST Studio.

I deliver every project with high quality, accuracy, and attention to detail.

</p>

<!-- Past Projects -->

<h2>Past Projects</h2>

<div class="portfolio">

<div class="project">

<h3>Dissertation Writing</h3>

<p>Completed a full dissertation on business management with in-depth research and critical analysis.</p>

View Example (PDF)

</div>

<div class="project">

<h3>Statistical Analysis (SPSS)</h3>

<p>Performed regression, ANOVA, and data visualization for academic research projects.</p>

View Example (PDF)

</div>

<div class="project">

<h3>Web Design & Development</h3>

<p>Designed responsive websites with modern UI/UX principles and backend integration.</p>

View Example (PDF)

</div>

<div class="project">

<h3>Architectural Plans</h3>

<p>Created professional building layouts and 3D models based on client specifications.</p>

View Example (PDF)

</div>

<div class="project">

<h3>Engineering Simulations</h3>

<p>Simulated electrical systems and communication networks using MATLAB and CST Studio.</p>

View Example (PDF)
